SHIVANGI TIWARI

San Francisco, CA | (650) 960-6283 | tshivangi03@gmail.com | linkedin.com/in/shivangi-tiwarii

PROFESSIONAL SUMMARY

Strategy-minded AI Marketing professional with an MS in International Business & Analytics and a PhD in Literature. Expert in AI systems fluency (Claude, ChatGPT, Replit) with a proven track record of using AI as a superpower to accelerate content production and solve complex communication challenges. Adept at identifying cultural trends and translating technical data into growth strategies for disruptive brands.

SKILLS

- **AI & Technical Execution:** AI Systems Fluency (Prompt Engineering, Iterative Output Optimization), ChatGPT, Claude, Replit, Generative AI Workflows, Workflow Automation, Custom GPT Development.
- **Strategy & Insights:** Cultural Trend Forecasting, Synthetic Audience Testing Research, Competitive Intelligence, Consumer Behavior Analysis, Narrative Theory.
- **Marketing Operations:** Multi-platform Campaign Strategy, Growth Marketing, Performance Analytics (GA4), A/B Testing, CRM Management (HubSpot, Salesforce).
- **Creative Tools:** Adobe Creative Suite (Photoshop, Premiere), Canva, CapCut, Figma.

EXPERIENCE

Marketing & Growth Intern | Artifact (AI Productivity Startup) | San Francisco, CA — Oct 2025 - Present

- **AI Systems Fluency:** Utilize Claude and ChatGPT daily to automate and accelerate content production, increasing production velocity by 10x while maintaining brand precision.
- **Technical Execution:** Managed multi-platform social strategy across LinkedIn, X, and Instagram, achieving 40% impression growth and 20% engagement increase in 6 weeks.
- **Data-Driven Insights:** Refined storytelling angles based on real-time CTR and conversion data pulled from Google Analytics 4 (GA4).
- **Strategy:** Partnered with business development and creative teams to ensure technical messaging aligned with market-ready deliverables.

Content & Marketing Associate | Evatar AI (Digital Twin AI Startup) | Remote — Nov 2025 - Feb 2026

- **Communication Strategy:** Translated complex AI digital twin concepts into accessible, engaging narratives for B2B audiences, driving 168% impression growth.
- **AI Integration:** Leveraged AI marketing tools and social listening platforms to monitor weekly performance signals and reduce content fatigue.
- **Campaign Management:** Directed 20+ monthly assets, ensuring visual consistency and brand voice across high-growth digital channels.

Founder & Brand Lead | Chai Books and The Moon | Remote — Apr 2019 - Present

- **Cultural Trend Forecasting:** Identified "BookCore" and "Dark Academia" trends to build an organic community of 8,000+ followers with engagement rates 3-5x the industry average.
- **Partner Coordination:** Executed 50+ brand partnership campaigns with major publishers (Penguin Random House, HarperCollins) from initial brief to final delivery.
- **Media Strategy:** Developed creative stories featured in ELLE and BuzzFeed through innovative literary community building

PROJECTS

Cloakwork (Digital Wardrobe App) | Founder & GTM Lead

- Leading the development of a digital wardrobe application, focusing on GTM strategy, growth experimentation, and user-centric AI features.

Agaati | Sustainable Fashion Brand Strategy & Analytics

- Performed regression and cluster analysis on 247 consumers to identify the "attitude-behavior gap"; developed a data-backed "Greenfluencer" framework for brand growth.
